

MAUCC | 24

Central American and Caribbean Audiovisual Market

SUSTAINABILITY SHAPES BUSINESS

We invite you to visit Costa Rica and witness how **our exportable offerings have shaped sustainable, diverse, and specialized businesses** capable of transcending borders to meet the demands of your market.

Join us at **MAUCC 2024**, where you will discover services for international productions, on-demand outsourcing services, and captivating content such as feature films and fiction series, among others.

Immerse yourself in the audiovisual richness that Central America and the Caribbean Islands have to offer. This is the ultimate platform for promoting sustainable business and fostering co-production between our region and the world.
