

Guatemala Investment Summit 2016 – 2nd. Edition
November 9 and 10, 2016, Westin Camino Real Hotel, Guatemala City

It is the most relevant international investment event in the Central American region, which its successful first edition took place in the year 2013. It is organized by the Chamber of Industry of Guatemala together with the Government of the Republic, through the Ministry of Economy.

This second edition promises to provide the participants current topics related with the investment climate, search of answers to common problems, and promote the State's Policies that allow a global and inclusive economy which, besides promoting the sustainability and innovation, promotes the integration and competitiveness of Guatemala and the region.

With the participation of over 250 investors from different parts of the world, the business leadership of the Central American region, South America, The Caribbean and entrepreneurs in different areas will facilitate the opportunity to make strategic alliances and get to know public, private and PPA (Public-Private Alliances) investment projects for over US\$9 billion. The interaction between the sectors will be possible through the investment and business conferences which will be active during the whole event.

Additionally, you will have the opportunity to be a part of the over 2,000 participants that will match with the purpose of making business contacts as well as with high government authorities.
